

Position Title: Clinical Therapist **Position Type:** Full Time Employment
Position Location: Utah County, Utah **Position Pay:** \$60,000-\$67,500
Hiring Manager: | Saria Karhunen hr@youniquefoundation.org 385.345.4556

Position Purpose

The Younique Foundation strengthens women and children by:

1. Providing an opportunity for adult female survivors of childhood or adolescent sexual abuse to begin the healing process through a retreat environment and outpatient counseling.
2. Educating parents and guardians how they can limit risk of sexual abuse of their children and teens.
3. Creating awareness for the general public of the prevalence and dangers of sexual abuse of children and teens.

We are seeking a professional therapist who can lead efforts to: 1) engage program participants in outpatient individual and group therapy, 2) Educate program participants during and after a foundation retreat on foundation materials and treatment protocols.

Qualifications

Educational/Professional Requirements

- A Master's Degree in a mental health related discipline (A PhD is a plus)
- Active Mental Health Counselor License

Experience Requirements

- 5 years experience in mental health counseling field.
- 5 years experience providing individual, family and group counseling
- 3 years actively practicing with survivors of trauma/sexual abuse or equivalent
- 3 Experience in teaching mental health concepts/leading educational lectures

Responsibilities

- Counsel participants, individually or in group sessions to assist in healing, adjusting to life, and/or making changes
- Guide participants in the development of skills and strategies to deal with their abuse trauma
- Develop and implement group and individual treatment plans based on clinical experience and knowledge
- Prepare and maintain all required treatment records and reports
- Plan, organize, and/or lead structured programs of counseling, service, study, recreation, and social activities for participants
- Supervise other counselors, assistants, and/or graduate assistants
- Coordinate workshops, courses, and training about mental health issues relating to sexual abuse
