Foundation Mission

We inspire hope in women who were sexually abused as children or adolescents by providing healing services through retreats, survivor communities, and online resources.

We empower parents and caregivers to protect children from sexual abuse through education and online resources.

We make it safe to openly discuss sexual abuse through community dialogue and social awareness.

We are seeking a professional therapist who can lead efforts to: 1) engage program participants in outpatient individual and group therapy, 2) Educate program participants during and after a foundation retreat on foundation materials and treatment protocols.
