

**Position Title:** Clinical Therapist

**Position Type:** Full Time Employment

**Position Location:** Utah County, Utah

**Position Pay:** \$50,000-\$67,500

**Hiring Manager:** | Betsy Kanarowski | [hr@youniquefoundation.org](mailto:hr@youniquefoundation.org) | 385.345.4556

### **Foundation Mission**

We inspire hope in women who were sexually abused as children or adolescents by providing healing services through retreats, survivor communities, and online resources.

We empower parents and caregivers to protect children from sexual abuse through education and online resources.

We make it safe to openly discuss sexual abuse through community dialogue and social awareness.

We are seeking a professional therapist who can lead efforts to: 1) engage program participants in outpatient individual and group therapy, 2) Educate program participants during and after a foundation retreat on foundation materials and treatment protocols.

### **Qualifications**

#### *Educational/Professional Requirements*

- A Master's Degree in a mental health related discipline (A PhD is a plus)
- Active Mental Health Counselor License

#### *Experience Requirements*

- 5 years experience in mental health counseling field
- 5 years experience providing individual, family and group counseling
- 3 years actively practicing with survivors of trauma/sexual abuse or equivalent
- 3 years experience teaching mental health concepts/leading educational lectures

### **Responsibilities**

- Counsel participants, individually or in group sessions to assist in healing, adjusting to life, and/or making changes
- Guide participants in the development of skills and strategies to deal with their abuse trauma
- Develop and implement group and individual treatment plans based on clinical experience and knowledge
- Prepare and maintain all required treatment records and reports
- Plan, organize, and/or lead structured programs of counseling, service, study, recreation, and social activities for participants
- Supervise other counselors, assistants, and/or graduate assistants
- Coordinate workshops, courses, and training about mental health issues relating to sexual abuse
