Foundation Mission

We inspire hope in women who were sexually abused as children or adolescents by providing healing services through retreats, support groups, and online resources.

We educate and empower parents and caregivers to protect children from sexual abuse through community and online resources.

We advocate for open discussions about sexual abuse through community dialogue and social awareness.

We are seeking a professional therapist who can: 1) Provide psychoeducational and experiential classes to adult survivors of sexual abuse in a four-day retreat model, 2) Provide outpatient therapy services for a small case load.
