Organizational Purpose

We empower healing for individuals who were sexually abused as children or adolescents through retreats, support groups, and online resources.

We educate and engage parents and caregivers to protect children from sexual abuse through community and online resources.

We drive awareness to motivate individuals to take action against child sexual abuse.

Qualifications

This is an exciting opportunity for an experienced RN/LPN/EMT who wants to work primarily at a trauma sensitive, psychoeducational healing retreat setting. The Saprea Retreat is a free, clinically informed 4-day in-person experience followed by a self-guided online course. Nestled in a beautiful, healing environment surrounded by nature, and supported by ancillary services including a logistics team and outstanding in-house culinary offerings, the retreat teaches about trauma's impacts, provides opportunities to apply healing tools, and builds community among survivors.

We are seeking an RN/LPN/EMT to work in a collaborative way with clinical staff in helping participants by:

- Providing medical support at retreat facility
- Being available to help with the needs of participants
- Providing educational lectures as requested by Senior Retreat Manager
- Coordinating with participants to help them utilize our healing resources in their home communities.

Educational/Professional Requirements

- Must be a RN, LPN, or EMT with an active license.

Experience Requirements

- 3 years minimum experience.
- Experience with technology systems (e.g., Microsoft Office, Practice Management, EHR, etc.).
- Experience working with persons in crisis.
- Experience in psychiatric settings or mental health services is a plus.

Responsibilities

- Guide retreat participants in the development of skills and strategies to deal with their abuse trauma
- Facilitate psychoeducational classes and support groups for retreat participants
- Conduct medical/clinical screenings via telephone for potential participants as directed by Intake Clinical Manager
- Prepare and maintain all required treatment records and reports
- Provide medical support at retreat facility
