

Posting Information

Position Title: Videographer/Editor

Position Type: Full-Time Employment

Position Location: Lehi, Utah

Position Pay: \$60,000-\$67,500

Hiring Manager: Nichole Coombs | hr@saprea.org | 385.256.9573

Organizational Purpose

We empower healing for individuals who were sexually abused as children or adolescents through retreats, support groups, and online resources.

We educate and engage parents and caregivers to protect children from sexual abuse through community and online resources.

We drive awareness to motivate individuals to take action against child sexual abuse.

Qualifications

We are seeking a Mid-level videographer/editor to assist in the following:

- 1) Assist with video production, including equipment, lighting, filming, and editing.
- 2) Carry a project from brainstorming through post-production including editing, music, color, and graphics.
- 3) Knowledge of how to create a complete story arc with or without a script.

Educational/Professional Requirements

- Bachelor's degree or equivalent work experience
- 2-4 years of relevant work experience
- **Demo reel link must be sent with resume**

Experience Requirements

- Exceptional video editing in Adobe Premier
- Working knowledge of all aspects of film and video production
- Self-driven, experience working as a 'one-man band' a plus
- Ability to manage deadlines and deliverables in a variety of formats
- Ability to manage multiple projects
- Animation experience is a plus
- After Effects experience is a plus
- Bilingual a plus but not required
- Corporate video experience a plus

Responsibilities

- Assist in all aspects of assigned media projects including shooting, editing, lighting, and concept support.
- Edit all in-house videos for multiple social media platforms.
- Work directly with Producer and Senior Videographer/Editor to ensure the quality of deliverables.
- Demonstrate experience as an effective storyteller
- Assist with live social video production on platforms like Facebook Live.
- Ensure all video resources adhere to industry best practices.
- Brainstorm, create, and edit video content for all departments.
- Oversee the maintenance, upgrades, and acquisition of all video production equipment.
- Order media as necessary and handle archival needs.
- You will need to feel comfortable working with sensitive topics as they relate to child sexual abuse.
